UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

JOHN DELANEY,

Plaintiff,

-v-

BANK OF AMERICA CORPORATION and BANK OF AMERICA MERRILL LYNCH,

Defendants.

11 Civ. 8151 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

The Court has received plaintiff's submission of September 19, 2012, containing proposed redactions from his filings in opposition to defendants' motion for summary judgment. Although the Court appreciates plaintiff's attempt to comply with the Court's individual rules, and respects that plaintiff is proposing redactions which in large part have been requested by the defense, the scope of proposed redactions is substantially overbroad. The parties are directed to cooperate to tailor the proposed redactions to only those truly confidential sections of the materials in question. The wholesale redactions currently proposed are simply inconsistent with the principle of public access to court filings. The Court directs that a more appropriate set of proposed redactions be submitted by Tuesday, September 25, 2012.

Because plaintiff submitted his proposed redactions on September 19, 2012, his brief in opposition to summary judgment will be deemed filed on that date, in accordance with the Court's individual rules.

SO ORDERED.
